Waived overhead rates

On campus - same as standard rate codes but begin with W (e.g. W21ORO).

Off campus - all W21OFF

* Old Banner codes are the numeric value of the rate without the %-sign, i.e. 47.5% = 47.5 Banner code

****For Ag & Forestry Experiment Station – Non-research projects use the *On-Campus Other Sponsored Activity rate* instead of the Ag & Forestry Experiment Station rate**
